

Supply List for Miss Cash's Music Class

Grades 1-2: Bring ukuleles on Wednesdays

We will have fun with basic music skills on Monday and I will incorporate ukulele on Wednesdays. If your student already has a ukulele, have them bring it to school **each Wednesday**. If you need help obtaining a ukulele please let me know so that your student can have one by the time school starts! Here is one purchase option:

https://www.amazon.com/Kala-KA-15S-Mahogany-Soprano-Ukulele/dp/B001LU1SFO/ref=sr_1_4?crid=WOQIJ9D8BNSS&keywords=kala+ukulele&qid=1661548665&s=musical-instruments&srefix=kala+ukulel%2Cmi%2C242&sr=1-4

Grade 3-8 Strings: Bring string instruments to school Mondays and Wednesdays

I am excited to be able to inspire and teach your students through orchestra, so all 3rd graders will start a string instrument: violin, viola, or cello. Other grades will continue with their instrument from last year or begin one if they haven't already. Please discuss with your student which of those instruments they are most interested in, and on the first day of school I will size them for that instrument and send them home with a note letting you know what size they will need.

I will continue with the 5th-8th graders on the string instruments they began last year, and I'm excited to watch them continue to grow in their musical skills.

You can rent an instrument, purchase your own (the best deal long-term), or the school has a limited number of instruments for students who aren't able to rent or purchase.

Rental Option: <https://kennedyviolins.com/community/application/find-your-school>

Purchase Options: <https://kennedyviolins.com/>
